Sir:

Under the guidelines of 37 C.F.R. 1.97, Applicants submit the attached Form PTO-1449 (modified) for consideration by the Examiner. In accordance with the current U.S.P.T.O. practice and rules, copies are not provided for the U.S. published patent applications listed as documents AA - AD.

Since this Statement is being filed after the period specified in §1.97(b), but before the mailing date of a final action or a notice of allowance, please charge the fee under 37 C.F.R. 1.17(p), and charge any additional fees which may be required by this or any other related paper, or credit any overpayment to Deposit Account No. 05-0840.

It is believed that the subject matter claimed in the instant application is patentably distinct from that of each of the U.S. co-pending applications listed as corresponding to Documents AA-AD; and, moreover, that the subject matter claimed in the instant application and that of each of the applications were, at the time the inventions were made, owned by the same person or subject to an obligation of assignment to the same person.

Applicants request consideration of this information.

Respectfully submitted,

/Tonya L. Combs/
